

Worrel Shaquille Lee Jr.

DATA, RESEARCH & PERFORMANCE ANALYST

Sugar Land, TX | 832-896-9365 | worrel.lee@outlook.com
linkedin.com/in/worrellee

Analyst with 7+ years across business operations and performance analysis, complemented by recent DFPS research. Connects data with how organizations work: investigating patterns, validating findings, and translating evidence into practical recommendations. MBA candidate in Data Analytics.

TECHNICAL & ANALYTICAL SKILLS

Tools: R, Power BI, Excel, Power Query, SQL, DAX, CRM systems

Methods: KPI reporting, exploratory analysis, data validation, root-cause analysis, methodology documentation

PROFESSIONAL EXPERIENCE

Research Specialist I | Analytical Projects Team

Jun 2026 - Aug 2026

Texas Department of Family and Protective Services (DFPS) | Houston, TX | Internship

- Analyzed initial CANS assessments and 24-month placement histories in R, identifying associations between early assessment scores and subsequent placement instability.
- Validated analytical outputs and built Power BI and Excel visualizations; documented methods and limitations and communicated findings to agency leaders.
- Findings prompted further agency analyses of provider credentialing and least-restrictive placement practices in relation to placement stability.

Business Operations Analyst

Aug 2023 - Jan 2026

Nexus Auto | Houston, TX

- Combined CRM, financial, customer, and pipeline data using Power BI, Excel, and Power Query to support recurring performance analysis and leadership KPI reporting.
- Used R and Excel to investigate trends, support forecasting, and refine follow-up workflows, contributing to a **15% improvement in client retention**.
- Standardized CRM data capture to improve reporting accuracy, consistency, and operational visibility.

Travel Consultant

Oct 2022 - Aug 2023

Vacations To Go | Houston, TX

- Investigated service issues, documented recurring causes, and improved processes while maintaining accurate client and booking records across vendor and policy requirements.

Sales & Operations Director

Aug 2017 - May 2022

Mr. Sticker Plus+ | Houston, TX

- Analyzed sales by product and customer segment to inform pricing and promotions, contributing to a **12% increase in revenue**.
- Directed team workflows and maintained CRM pipeline reporting to track leads, follow-up activity, and weekly performance targets.
